## #KennyKallinaScouting Pre-Season Top 105 Travel Teams

Posted on [March 23, 2014](#) by [kennykallina](#)

~~This year the local (http://prtravelteams.com/countrysearcs/) interesting study with Nike enacting their own EYBL which will limit competition between Nike & Non-Nike programs. While Boo Williams and Battle in the Boro became the measuring stick for all programs across the country those events are now limited to a Nike Only format and then an independent format making it all the more blurry picture of who really are the top travel teams in America. Our pre-season rankings ever insightful and controversial will judge how teams do at events where teams can crossover and play each other and who wins or finishes high at some of the top tournaments in the country with open brackets. If you have a complaint I am happy to get your email at [KennyKallina@gmail.com](mailto:KennyKallina@gmail.com) and look forward to seeing you on the road.~~
